

The mystery of the laser shooting book

By: Joseph

Hi right now I am fighting to get a book from my school library on my planet to enter a library first you need a full body protection suit and laser. The books shoot lasers from there spine and in the library I am known as the book prince because I am the only kid that has not been shoot with a laser book and I have shoot the most books but my real name is the tank king because on my planet the first word you say is your name. Noooo the book I am looking for is not hear (which is a surprise it is the biggest book in the library it is also the most evil).

So now you know what like
