One of the things I did this summer was I got to go to the beach. Me, mom, Nanna, Julie. We were getting ready to go to the beach. I was so excited to go there, I couldn't wait! I was so excited because I only been there once. After 5 to 10 minutes we hit the road. We were chit-chatting until.... DUCIE SCREAMED! There was a black snake in the road! Then we got to the beach. We all set the snacks and towels on the bench under the shed, then Me, nanna, and mom went over to where the water was. I scooped up the maddy sand into the bucket. After the bucket was full I turned it upside down and pulled it up slowly... and it made a tower! then I went in the water to play with shena (Sherrah). My nanna told me to stay still so she could take a picture, I played a little bit longer, and we went back to central motel.
